Dear Al:

In accordance with the contract between you and the Departments of Corrections and Public Health and Human Services, reimbursement to MedManagement for pharmacy services to Medicaid-eligible recipients residing in state institutions will be based on drug acquisition cost plus \$6.25 per prescription for the period August 1, 1997 to June 30, 1998.

We need to review this reimbursement methodology prior to July 1, 1998, to determine whether an increase to \$6.47 per prescription is appropriate.

Please contact me at (406) 444-2738 if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Dorothy".
